Building Safety Certificate

I, Manoj Kumar Behera Executive Engineer, DRDA, Ganjam, have visited Klorofeel School Brahmapur, managed by Klorofeel Education Association on 06.01.2022 and after visually inspecting it from all angles of safety, I find it fit for normal use as School buildings.

- The building is constructed as per approved Building Plan from Town Planning, obeying National Building Code and Fire Standards. No Objection Certificate from respective authorities are obtained.
- In case any alteration to these buildings, this certificate may be re-obtained.
- In case the building is affected by natural calamity or any other damages, immediate inspection may be arranged to check the stability and safety of the building.
- This building can be safety occupied for normal use up to Class 12.
- The validity of this certificate is 5 years.
