Subject – Undertaking for forfeiting the water body and hiring of lab assistants

Respected Members,

We thank you for giving us the opportunity to present the progress on the points raised for the review.

The virtual inspection was of immense learning to us.

We hereby assure you that as per your advice, we will undertake the following activities immediately:

- 1- We will forfeit the water body with soil within 48 Hours and make it ground level.
- 2- We will appoint laboratory assistant for each laboratory within 2 Weeks.

This is for your kind consideration.

Regards

Dr Haribandhu Panda
Director & Secretary
